Hello Neighbor!

Clear your calendar, it's another big week in the ER...

Tomorrow night, Tuesday, Aug. 5, the ERNC holds its monthly meeting at 7:00pm at the historic and beautiful Women's Twentieth Century Club, 5105 Hermosa Ave, corner of Colorado Blvd., Los Angeles, CA 90041. (We're meeting in an alternate location this month due to ongoing construction at Eagle Rock City Hall.)

The agenda for the meeting is available at this link: <http://tinyurl.com/kzt6jkq> Agenda highlights are discussed below.

On Wednesday, Aug. 6, from 7:00-9:00pm, join us for a community meeting at the beautiful and historic Center for the Arts Eagle Rock, 2225 Colorado Boulevard, to discuss amending the Colorado Boulevard Specific Plan. The City of Los Angeles will listen to your thoughts about changing the business operating hours dictated by the Plan, which are currently 7:00am – 9:00pm.

Click the blue flyer (PDF) below for details. There's a FAQ section on the back that's worth a read, and there will be live representatives from an unprecedented coalition of neighborhood groups at the

meeting, including Councilmember Huizar himself, who can answer your questions, dispel myths, and listen to your ideas. (Click here for a PDF copy of the Specific Plan itself.)

And on Thursday, Aug. 7 - also at the Center for the Arts - it's Coffee with Your Congressperson, Xavier Becerra.

That leaves Friday for socializing. Plenty of places to do that in Eagle Rock -- and more every day. Love it, hate it, or otherwise, come participate in these meetings, and have a say in how your community grows.

Some highlights from the agenda of Tuesday's ERNC meeting. See the agenda itself for links to much more information and background: <http://tinyurl.com/kzt6jkq>

TUESDAY: What's on the agenda?

- A vote on the ERNC's official response to the Scholl Canyon Environmental Impact Report. (This is a huge issue for ER.)
- A presentation by the LA Dept. of Transportation about the already-approved bike lanes and traffic flow improvements scheduled for Figueroa from Tipton Way to Colorado Blvd in Eagle Rock, part of the 2010 Bicycle Plan.
- A vote on the ERNC's response to the City's new billboard regulations.
- Votes on Fracking and the Twin Tunnels project.
- An update on the ERNC's big tree-planting effort on our major streets.
- A vote on the liquor license application by the new Chipotle opening on Eagle Rock Blvd.
- Votes on Neighborhood Purpose Grant applications from local schools and nonprofits, including the ER Music Festival.

And more!

President's Message

A level playing field - consistent rules for all players on the playing field is a principle that all embrace. Yet, when a new business considers locating on Colorado Boulevard in Eagle Rock, they will discover that the Colorado Boulevard Specific Plan requires that they operate with significantly fewer business hours than many of the other businesses on the Boulevard. This certainly constitutes an uneven playing field. On August 6 (see below for details), you are invited to share your view regarding updating the Colorado Boulevard Specific Plan to move in the direction of a more level playing field for all merchants. Background:

Working in collaboration with the Eagle Rock Chamber of Commerce and the Eagle Rock Neighborhood Council, progress has been made on the effort to revisit the section of the Colorado Boulevard Specific Plan that mandates that businesses cannot be open between the hours of 9PM and 7AM. As we all know, many businesses on the Boulevard operate outside those hours. A few businesses existed before the Specific Plan was adopted in August, 1992. They are "grandfathered" and not limited by the Specific Plan. A few other businesses have gone through the very expensive process (\$15,000 - \$25,000) of getting Waivers or Exceptions to the Plan. Several other businesses operate out of compliance with the Specific Plan limitations.

It is TERA's position that the current limitations in the Specific Plan are unduly limiting. These limitations can be a deterrent to new businesses, especially locally owned businesses, which are our preferred type of business. The change can also bring those businesses who rely on the longer business hours, but do not have waivers, into compliance with the Plan without huge and in some cases unsustainable fees for waivers. This also creates a situation where enforcement of allowed business hours is more likely to occur.

You are encouraged to view the entire Colorado Boulevard Specific Plan on TERA's website at [www.tera90041.org](http://www.tera90041.org).
